# GIVING BEREAVED CHILDREN A BRIGHTER TOMORROW

We provide support to more than 600 children, young people and adults, in Milton Keynes and surrounding areas  
Each year more than 150 recently bereaved children register to access our support

Statistics show that:

**1 in 29 pupils** age 5-16 years have been bereaved of a parent or sibling. This is approximately **one pupil in every class.**

**In 2017, 7653** babies, children and young people (under the age of 18) died – that's **21 every day**

Harry's Rainbow offer support, connection and resources to foster positive coping strategies for both children and their families through a range of services. These include Rainbow Groups; where participants find solace and learn invaluable tools in a nurturing environment, Short breaks at our Rainbow Retreat that foster connection and positive memories for families; plus Trips, Activities, Therapeutic Mentoring, Resources, Books and Memory boxes.

# WHY SHOULD YOU COME ALONG?

Please hear from the Chair of our committee Ryan Peters, Brioche Pasquier UK and one of our Celebrity guests, Emile Heskey who attend in 2025 as to why you should attend this event:

"Harry's Rainbow is the only bereavement charity in Milton Keynes and the Surrounding Areas. They are currently supporting over 600 children and their families. The work they do is vital and they need local business to get behind them. In February 2025 we put on the first Question of Sport event and it was an incredible success. If you want to have a fun night, then this is a not to be missed event! You will be entertained, mix with some celebrities and have the chance to network with lots of high profile individuals"

Ryan Peters, Brioche Pasquier UK

"The Harry's Rainbow Question of Sport event was a brilliant evening - great energy, great people, and I was lucky enough to be on the winning table! I'd love to be back again in 2026".

Emile Heskey
